

Seventh Session of the Assembly
26-27 October 2022, Almaty (hybrid)

Agenda Item 5

Promotion and Enhancement of Partnership (Update on Partners)

I. Background

1. Based on Decision 41-V-21R, Promotion and Enhancement of Partnership, Partner Countries and Partner Organizations provides new category of participation and engagement for AFoCO. The Sixth Session of the Assembly endorsed the Rules of Procedures for Partners Countries and Partner Organizations of the Asian Forest Cooperation Organization.
2. The Assembly recognizes that participation of countries and entities beyond Parties and Observers of AFoCO complement the organization's action by access to new knowledge, expertise, financing and broad reach – resources that are critical to advancing organization's work.

II. Organizations/entities that granted membership or accreditations to AFoCO

3. The UN General Assembly granted observer status to AFoCO on 15 December 2020. (UN Resolution A/RES/75/149)
4. The Conference of the Parties to the UN Convention to Combat Desertification (UNCCD COP) accredited AFoCO as partner international organization on 2 September 2019 (UNCCD document ICCD/COP(14)/15).
5. Convention on Biological Diversity (CBD) accredited AFoCO on 6 October 2021 for participation at the Conference of the Parties to CBD and related meetings.
6. The Global Partnership on Forest Landscape Restoration granted membership to AFoCO on 11 November 2020. (<https://www.forestlandscaperestoration.org/our-partner/>)
7. AFoCO has been included in the ODA-eligible international organizations under the Development Assistance Committee (DAC) of the Organisation for Economic Co-operation and Development (OECD) from 2021 reporting on 2020 ODA flows.
<https://www.oecd.org/dac/financing-sustainable-development/development-finance-standards/annex2.htm>
8. The Conference of the Parties to UN Framework Convention on Climate Change (UNFCCC) accredited AFoCO as an observer for approval at the COP 27.
9. The UN Decade on Ecosystems Restoration has officially recognized AFoCO as Supporting Partner on 22 August 2022.

III. Organization with existing partnership arrangements

10. A multilateral partnership arrangement that the Secretariat engaged with Center for International Forestry Research - International Centre for Research in Agroforestry (CIFOR-ICRAF) and the Global EverGreening Alliance (GEA) on the Landscape Partnership Asia (LPA) for collaborative establishment and implementation of a programme for the restoration of drylands and drought-prone areas in Asia.

11. AFoCO considered expanding its network in terms of research in the forest sector through engagement with the Forests, Trees and Agroforestry (FTA) as an associate partner which is the world's largest research for development program focused on the role of forests, trees and agroforestry in sustainable development, food security and addressing climate change. One of FTA's objectives is to provide countries and stakeholders the most updated knowledge and solutions for how to best leverage the roles of forests, trees and agroforestry for their broader development objectives and challenges (in particular climate change, food security, restoration, green economy, and the build forward better agendas), and to help capitalize learning and experiences including by informing decision making and supporting capacity development effort.

12. The partner organizations which has bilateral partnership arrangements with AFoCO at the institutional level are as follows:
