LIVABLE ENVIRONMENT

Goal 1: Preserve and improve urban ecological balance and develop "urban forests"

DESERTIFICATION PREVENTION

Goal 2: Reduce desertification and sandstorms.

HEALTHY SOIL = HEALTHY FOOD

Goal 3: Support food security through agroforestry.

EXPANDING FORESTED AREA

Goal 4: Increase forest coverage to reduce degradation.

"BILLION TREES" NATIONAL MOVEMENT— Implementation Overview, Mining Sector

Collaboration with relevant ministries, local governments, and forestry professional organizations has been initiated

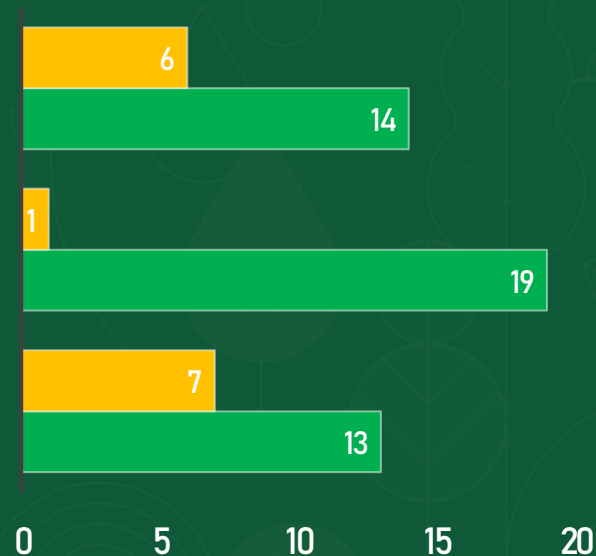

Local Governments, and forestry professional organizations and private sector co-op

OMUTOLGOI JSC

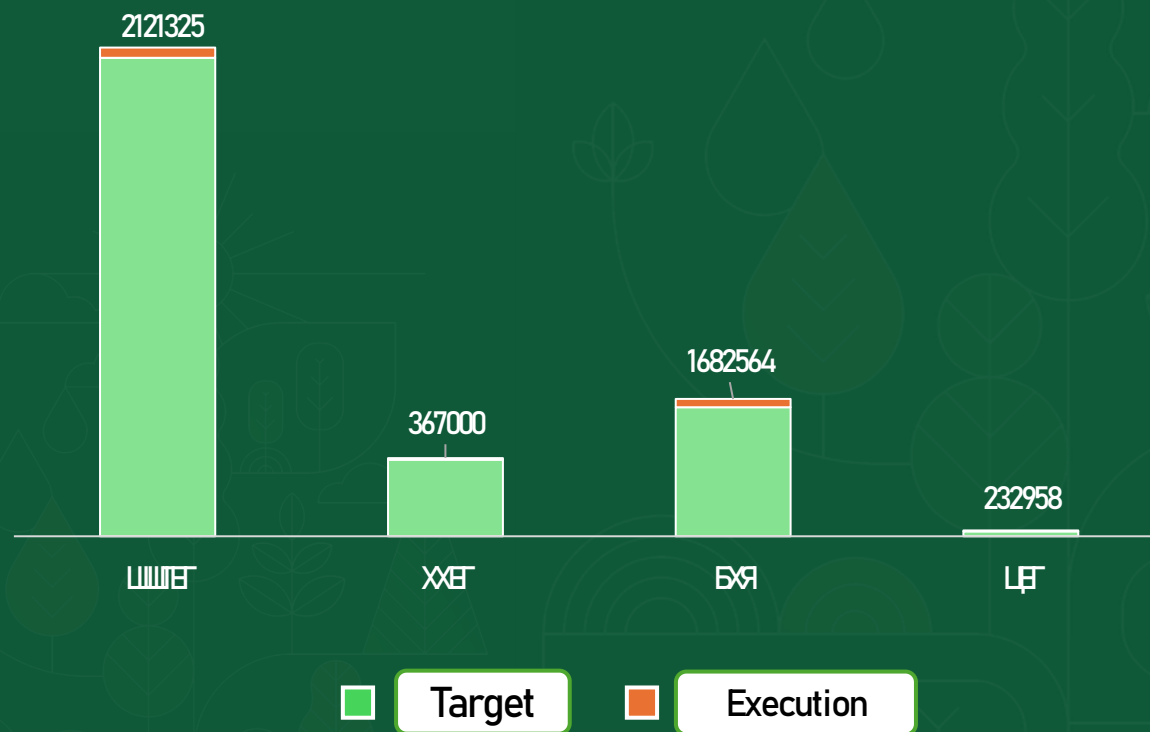

Since inception, 3.0 million trees have been planted or offset.
Implementation vs. Plan: 2.96%

- The "Billion Trees Fund" planted 1 million pine trees in Selenge province Altanbulag soum in spring.
- Another 1 million trees planned for autumn.
- A tripartite agreement to plant 500,000 pine trees was signed between the Fund, the Selenge Governor, and Agroforest LLC.

4.4 million trees have been planted and offset.
Implementation vs. Plan: 2.72%

An interagency effort is underway to establish a **Forest Fire Fighting Center** in Khangal soum, Bulgan province

Collaboration between Selenge province and South Korea's National Environmental Monitoring Center has led to reforestation of 1,237.9 hectares with 3.1 million deciduous and coniferous trees

Mongolia-Korea "Green Belt" Project

Nº	Project content	Project Goal
1	Phase 1 : 2007-2016 (10year), 12 million USD	Support the basic plan of Mongolia's "National Green Wall Program", reduce yellow dust storms and combat desertification,
2	Phase 2: 2017-2021 (5year)	Project to transfer forested areas and establish a Mongolian-Korean "Friendship Park"
3	Phase 3: 2022-2026 (5year)	Expand forest fire and reforestation training centers and urban forestry work

Duration : 2007-2016

Goal : Results of the anti-desertification afforestation project:

- 3,046 ha reforested,
- 45 ha nursery,
- 2 training centers,
- 7,967 people trained

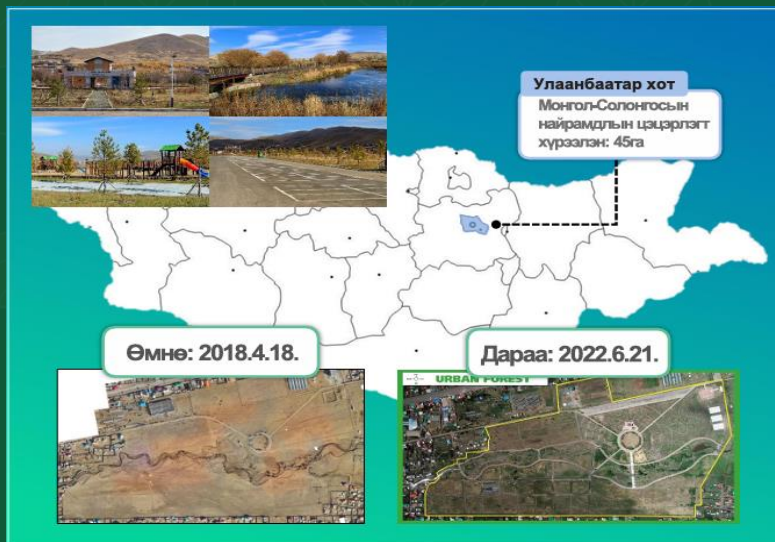

Mongolia-Korea "Green Belt" Project

1	Phase 1 : 2007-2016 (10year), 12 million USD	Support the basic plan of Mongolia's "National Green Wall Program", reduce yellow dust storms and combat desertification,
2	Phase 2: 2017-2021 (5year)	Project to transfer forested areas and establish a Mongolian-Korean "Friendship Park"
3	Phase 3: 2022-2026 (5year)	Expand forest fire and reforestation training centers and urban forestry work

МОНГОЛ-СОЛОНГОСЫН
"НАЙРАМДЛЫН ЦЭЦЭРЛЭГТ ХҮРЭЭЛЭН"

Duration: 2017-2021

Goal: Results of the anti-desertification afforestation project: Sustainable forest management and protection through afforestation and forest restoration have been carried out and the area has been reclaimed.

The establishment of the Mongolian-Korean Friendship Park has increased the greenness of the city and created conditions for the people of the region to live in a healthy and comfortable environment.

Mongolia-Korea "Green Belt" Project

Nº	Project content	Project Goal
1	Phase 1 : 2007-2016 (10year), 12 million USD	Support the basic plan of Mongolia's "National Green Wall Program", reduce yellow dust storms and combat desertification,
2	Phase 2: 2017-2021 (5year)	Project to transfer forested areas and establish a Mongolian-Korean "Friendship Park"
3	Phase 3: 2022-2026 (5year)	Expand forest fire and reforestation training centers and urban forestry work

Duration: 2022-2026

Activity:

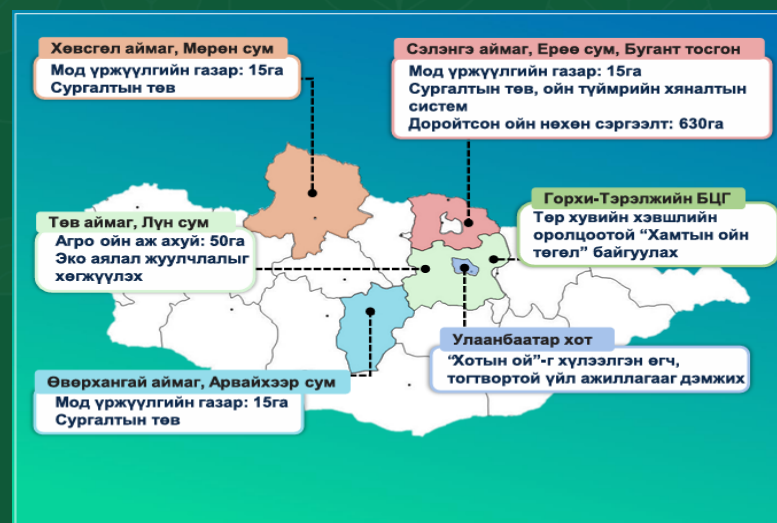

Support for desertification prevention activities

Forest restoration and forest fire prevention

Increase income of citizens through agroforestry and ecotourism

Expand forest restoration infrastructure and capacity building

Develop a model for public-private partnership

AFoCO Project`s in Mongolia

Nº	Project code	Project name
1	AF000/039/2023	"Forest restoration demonstration through high capacity tree nursery establishment and building in support to Billion Tree National Movement (BTNM) in Mongolia"
2	AF000/035/2022	"Improved local community livelihoods through increased income from NTFPs: Modeling Scalable Community-Based Enterprise in Asia"
3		

Duration: 2024-2025

Goal 1 : Reforestation : 120 ha

Goal 2: Establish tree nursery. 2 site, Dornod province- 70ha, Ulaanbaatar -20 ha

Goal 3 : Support local household`s income by seedling, tea leaves, medicinal herbs

"BILLION TREES" NATIONAL MOVEMENT - INTERNATIONAL ORGANIZATIONS

EU Partnership

President KHURELSUKH.U and EU Commission President Ursula von der Leyen signed an MoU on Forest Partnership.

A "Roadmap" for cooperation was also approved, focusing on climate response, forest restoration, and environmental protection

"BILLION TREES" NATIONAL MOVEMENT - INTERNATIONAL ORGANIZATIONS

President KHURELSUKH. UKHNAA and President XI JINPING held official talks in 2022.

"The heads of state noted that the Comprehensive Strategic Partnership between Mongolia and China is successfully expanding, and agreed to strengthen mutual understanding and political trust, and to deepen relations and cooperation in all areas."

"In the context of combating global warming and climate change, the Chinese side expressed its full support for the implementation of Mongolia's national 'One Billion Trees' program and agreed to jointly implement related projects and programs. The two sides also agreed to expand cooperation in combating desertification, dust storms, and land degradation."
